PRODUCTS LIABILITY

Preparation of a Product Liability Case

Substantive analysis and practical, expert guidance on analyzing theories of liability, conducting pre-trial discovery and discovery of particular information, introducing crucial evidence, and planning litigation strategies.

Product Liability Case Digest

A time-saving resource that helps you quickly identify the most relevant and current decisions likely to affect your product liability case.

Product Liability Desk Reference

Immediate access to the product liability laws of various jurisdictions and an understanding of the countless differences among them.

Product Liability Desk Reference: A Fifty State Compendium

A comprehensive resource that provides the most recent statutory and case law developments on products liability laws for each of the fifty states and the District of Columbia. Each state summary is practitioner-oriented and written by leading state experts.

Products Liability Law Daily

A news service created by attorneys for attorneys, providing same-day coverage of legislative and regulatory developments, updates on rulemaking and enforcement, and a complete report of the daily news affecting products liability.

Products Liability Reports

Intensive research, frequent updates, and expert analysis that keeps practitioners on top of products liability law.

Tort Law Desk Reference: A Fifty-State Compendium

Indispensable resource answering vital questions about each state's tort laws with succinct summaries of laws and citations to controlling statutes and case law.

Proving & Defending Damage Claims: A Fifty-State Guide

This important guide aids users in accurately assessing and pursuing damages – from drafting or defending a complaint to arguing damages at trial.

Consumer Product Safety Guide

A reliable way to keep informed of, and in compliance with, the laws and regulations administered by the Consumer Product Safety Commission (CPSC) and National Highway Traffic Safety Administration.

INSURANCE LAW

Insurance Law Daily

News service created by attorneys for attorneys, providing same-day coverage of insurance-law related legislative and regulatory developments, updates on rulemaking and enforcement, and a complete, daily report of relevant news.

Insurance Law Reports—Life, Health & Accident

Full-text decisions handed down by the federal and higher state courts on coverage issues involving life, health, accident, disability and related insurance policies, including group insurance policies and credit life. Nationwide reporting covers a broad array of rulings in key jurisdictions.

Insurance Law Reports—Personal & Commercial Liability

Full-text decisions handed down by the federal and higher state courts on coverage issues involving both business and personal lines. Nationwide reporting covers a broad array of rulings in key jurisdictions.

Handbook on Insurance Coverage Disputes

Time-saving resource that makes it easy to pinpoint detailed analysis of lead cases in key jurisdictions, including excerpts from standard insurance policies, critical commentary on key provisions, and insights into planning and implementation of successful litigation strategies.

Business Income Insurance Disputes

Covers everything from the basics of first-party property insurance and case law to practical strategies for dealing with today's most complex business income insurance law issues and questions—from the perspectives of both the policyholder and policy issuer.

CGL Policy Handbook

Plain-English analysis of the complex points of the CGL policy language and case law, focusing on issues where the terminology is subject to more than one interpretation.

Insurance Coverage of IP Assets

Comprehensive and timely analysis of the insurance protection issues that must be considered when an intellectual property dispute arises.

Insurance Practices and Coverage in Liability Defense

Thorough and objective analysis of the various duties and potential pitfalls confronting each party in the three-way relationship between insurance carrier, insured, and the appointed counsel in insurance defense (tripartite relationship).

Insurance Coverage Litigation

Covers the major legal issues that arise in the commercial insurance coverage disputes and coverage litigation cases, including the duty to defend, trigger of coverage, notice of a claim or actions, choice of law, punitive damages, number of occurrences, and coverage for the costs of loss mitigation.

Policyholder's Guide to the Law of Insurance Coverage

Addresses virtually every insurance coverage issue practitioners are likely to encounter in the regular course of business, as well as many unique issues and unusual situations.

Practitioner's Guide to Litigating Insurance Coverage Actions

This guide provides forms for every stage of case preparation and litigation, plus concise, clearly written commentaries that explain how, when, and why to adopt a particular strategy to your case.

Insurance Coverage Actions

Forms for every stage of case preparation and litigation, plus concise, clearly written commentaries that explain how, when, and why to adopt a particular strategy.

Stempel and Knutson on Insurance Contracts

Practice-oriented resource focusing on specific types of policies and coverage, such as property coverage, excess and umbrella coverage, CGL insurance, life insurance, reinsurance, and more.
