Contemporary Corporation Forms

J. Robert Brown, Jr.

This comprehensive resource provides ready-to-use forms and expert commentary to help draft documents for all kinds of corporate transactions—quickly, easily, and confidently. This comprehensive library of over 500 forms provides virtually every form needed to meet today's corporate legal and procedural requirements for all types of corporate entities from limited liability companies to public corporations.

Corporation Service

Wolters Kluwer Law & Business Editorial Staff

Provides analysis of the latest case law, trends, statutory developments and case annotations. Also, discusses the legislative trends and developments, and reports on statutory amendments, and key cases across the country. Also includes Corporation Service Smart Charts to quickly create custom charts across jurisdictions on a wide array of topics such as incorporation, capital and surplus, powers, shareholders, dividends, books and records and many more.

Delaware Law of Corporations and Business Originations

R. Franklin Balotti and Jesse A. Finkelstein

A time-honored resource that provides guidance through all aspects of establishing and operating organizations incorporated in Delaware. Timely coverage includes full discussion of legal precedents as interpreted by the Delaware courts including key Delaware Chancery Court and other court case links, the complex statutory framework underlying Delaware corporation law and business organizations, practical strategies to resolve legal issues, accomplish corporate transactions and conduct litigation. More than 100 practice-tested forms assist with the establishment or operation of a Delaware business entity.

Folk on the Delaware General Corporation Law

Edward P. Welch, Robert S. Saunders, Jennifer C. Voss and Allison L. Land

The definitive section-by-section guide is regularly cited by courts in states other than Delaware. Its section-by-section coverage makes it easy to quickly find the complete law text and analysis, including astute commentary on recent legislation and the most significant cases (including unreported opinions) with special attention to the more complex areas of practical concern.

Folk on the Delaware General Corporation Law: Fundamentals

Edward P. Welch, Robert S. Saunders, Allison L. Land, Jennifer C. Voss and Andrew J. Turezyn

This expert commentary synthesizes statute, cases, and analysis into clear, up-to-date guidance that can be put to immediate use in any business activity or situation affected by Delaware Corporation Law.

Macey on Corporation Laws

Jonathan R. Macey

Provides state case law decisions on every important corporation law topic. Compiles important reference material on the modern laws of corporate governance, namely the Model Business Corporation Act (MBCA), the Delaware General Law of Corporations, and the Principles of Corporate Governance as established by the American Law Institute. Largely structured around the text of the MBCA, this publication combines the text of the three acts that cover the same general subject matter.

Marsh's California Corporation Law

R. Roy Finkle, the late Harold Marsh, Jr. and Larry W. Sonsini

This authoritative research tool covers all aspects of California corporate law and practice, providing clear, reliable guidance to the laws, legislative history, and major case law holdings, as well as the authors' well-known expertise and advice on approaching and understanding key corporate transactions. There is no better source on how to handle all key corporate transactions, from corporate formation and governance to takeovers and bankruptcies.

Maryland Corporation Law

James J. Hanks Jr.

This authoritative volume gives subscribers practical guidance and expert analysis of the Maryland General Corporation Law, including: formation of a corporation; the conduct of a corporation's internal affairs; liability and protection of directors and officers; voting and other rights of stockholders; mergers; charter amendments; and dissolution of a corporation.

Massachusetts Corporation Law and Practice

Richard W. Southgate and Donald W. Glazer

An authoritative research tool that provides clear, reliable guidance to the Massachusetts business corporation statutes, legislative history, and case law.

Mergers and Acquisitions Deal Litigation under Delaware Corporation Law

Edward P. Welch, Edward B. Micheletti, Peter B. Morrison, and Stephen D. Dargitz

This treatise examines the processes, procedures and core legal issues that arise in deal litigation involving Delaware corporations. Topics examined range from threshold filing considerations in the Delaware Court of Chancery to appellate practice in the Delaware Supreme Court. Other areas examined include: motion practice; common legal claims raised in deal litigation such as fiduciary duties, electronic discovery, privilege and confidentiality; trial practice and procedure; and federal securities law claims that may arise in connection with deal litigation. The Appendices contain Guidelines to Help Lawyers Practicing in the Court of Chancery as well as that court's Guidelines for Preservation of Electronically Stored Information.

Michigan Corporation Law and Practice

The late Stephen H. Schulman, Margo Rogers Lesser, and Cyril Moscow

Covers all aspects of Michigan corporate law and practice, providing clear, reliable guidance. Also provides subscribers with practical guidance and analysis of the Michigan Business Corporation Act, including discussion of the process by which the corporate entity is created, governed, and ultimately terminated.
