**Structuring Mergers and Acquisitions: A Guide to Creating Shareholder Value**

*Peter A. Hunt*

This comprehensive guide establishes a framework for analyzing each transaction from a financial perspective and evaluating alternative strategies in terms of how they create value today or better position the company to build value tomorrow. Includes expert analytical case studies of actual M&A deals and guidance, tips and techniques for every type of transaction from “plain vanilla” mergers, acquisitions, divestitures, joint ventures, and leveraged buyouts, to more complicated restructuring alternatives such as spin-offs, split-offs, share repurchases, recapitalizations, and restructuring options that can enhance shareholder value.

**Structuring Venture Capital, Private Equity and Entrepreneurial Transactions**

*Jack S. Levin and Donald E. Rocap*

*Structuring Venture Capital* focuses on a series of typical transactions carried out with venture capital/private equity money, including a new business start-up, a growth equity investment in an existing business, a leveraged buyout of a private or public company, a leveraged recapitalization, an equity-based executive compensation program, a restructuring or workout for an over-leveraged enterprise, devising an exit scenario for the successful venture-financed company, and forming a private equity fund. For each type of transaction, the tax, legal, and economic structuring consequences are discussed.

**Takeover Defense: Mergers, and Acquisitions**

*Arthur Fleischer, Jr. and Alexander R. Sussman*

Written by the experts who have been at the center of some of the largest and most complex takeover deals in American history, this resource covers the legal, business, and strategic issues that arise in a takeover or proxy contest, and in the pursuit of a merger, sale, LBO, or restructuring of the company. Also includes discussion of hedge funds and institutional activism, hostile takeovers, poison pills, corporate governance challenges, majority voting standards, appraisal rights, and more.

**Takeovers: A Strategic Guide to Mergers and Acquisitions**

*Meredith M. Brown, Ralph C. Ferrara, Paul S. Bird, Gary W. Kubek, and William D. Regner*

The leading source for guidance on takeover tactics, providing corporate counsel, outside counsel, investment bankers, and corporate officers with an understanding of takeovers that is essential to an understanding of all public company M&A, whether the transactions are negotiated or openly hostile. Also includes in-depth discussions that examine the impact of the latest developments in federal and state statutes and administrative law governing takeover actions; how the courts are resolving the core issues faced by shareholders, directors, and managers buffeted by claims arising from transactions; and an analysis of the financial and legal tactics that helped to decide the outcomes of recent landmark mergers.
