

Health Reform KnowLEDGE™ Center

The ongoing regulatory developments, legal challenges and political conflicts connected to health reform are so dramatic, and so fluid, that everyone serving in an advisory capacity must find some solid ground—a trusted resource and refuge—that will hold you steady and keep you on course through each new wave of change and every new compliance deadline.

Our complete online solution provides up-to-date health reform answers, allowing you to stay completely on track with health reform deadlines and completely informed in a rapidly changing landscape.

- Survey the entire health reform landscape from one view — even as it transforms before you
- Maintain focus on what's important with expert analysis by attorneys and other subject matter experts in health, benefits, employment, tax law, as well as corporate counsel and human resources experts
- Stay current with breaking news and ahead of deadlines with regulatory tracking and alert tools
- Get fast answers to top issues with smart chart technology—with state-by-state comparisons of contraceptive coverage, health insurance exchanges, and more

NOW AVAILABLE ON CHEETAH!

Make better, faster decisions supported by comprehensive information and tools created with the breadth and depth of expert analysis that only Wolters Kluwer's 48 years of experience in health can provide.

healthreformknowledge.com

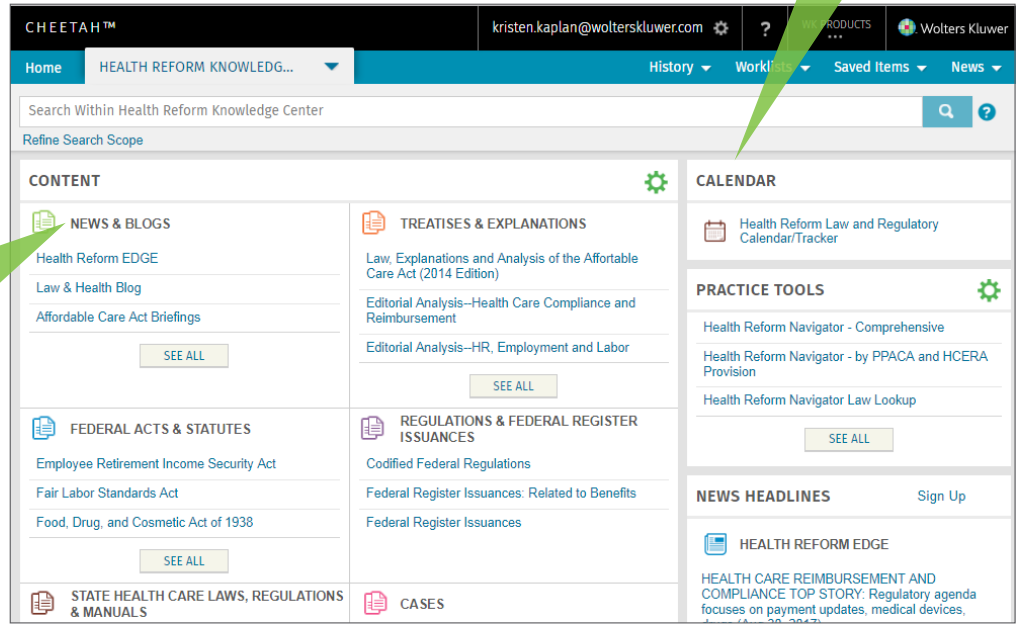

The Health Reform KnowLEDGE™ Center gives you the what, why and when you need to be proactive meeting compliance deadlines using expertly crafted news, documents and analysis.

REGULATORY TRACKING AND ALERTS

- Easily track all effective dates and related regulations
- Sort dates in multiple ways—by law, regulation, or deadline

HEALTH REFORM WK-EDGE

- Daily alerts plus comprehensive, weekly summaries of health reform developments with practical analysis from attorneys and industry experts
- Delivered how you want, where you want (e.g., on the Dashboard, in your email, via mobile app and/or RSS)

Get the entire breadth and depth of Wolters Kluwer’s content, developed and curated by expert editorial staff across all affected industries, including benefits, tax, compliance, and all aspects of corporate law and government regulation.
