

Cheetah™ Migration FAQ

Question	Answer
<p>What is WK's plan to migrate IntelliConnect access to Cheetah™?</p>	<p>Over the past year, Cheetah™ has been successfully adopted by more than 2,500 law firms, law schools and corporate legal departments. Based on this adoption, we've reached the point where we have decided to sunset the IntelliConnect platform and move to one research platform, Cheetah™. This move will allow us to further invest in enhancements to Cheetah™ and other value-added solutions for the legal marketplace. As part of this change, we will migrate any remaining IntelliConnect customers to Cheetah™ over the next few months."</p>
<p>How will WK work with customers on migration?</p>	<p>You will receive email communications starting approximately 90 days in advance of your transition date from IntelliConnect to our upgraded platform, Cheetah™. Your account has dual access to both platforms during the transition. At transition, IntelliConnect discontinues.</p>
<p>How will I know my Account's migration date?</p>	<p>Wolters Kluwer will send email communications to Delegated Administrators and End Users informing them approximately 90 days in advance of migration from IntelliConnect to Cheetah. A cadence of email communications approximately 90 days, then 60, 30, 7 and 1 will follow to remind you of the migration date to Cheetah, which is also the date IntelliConnect discontinues. Each email provides links to all of the information you need to manage migration from IntelliConnect to Cheetah™.</p>
<p>I would like more information, do you have Training & Support resources?</p>	<p>Please take this time to get all of the information you need in our expanded Training & Support page, https://lrus.wolterskluwer.com/training-support/cheetah/.</p>
<p>How do I contact WK if I need customer support?</p>	<p>Please feel free to contact us if you need a little extra support or have some questions. You can contact us at 1-800-955-5217 or email: CheetahSupport@wolterskluwer.com.</p>

IntelliConnect Customizations

Instructions for end-users to record their intelliconnect customizations

- **Research Folders** – Click **Research Folders** within IntelliConnect gray tool bar, click to open each Folder, check box to **Select all on page**, and either **Print selected as list** or use **Save/Email** to get PDF of entire documents, including links to documents that will be re-directed to Cheetah as of August 2017. Repeat for each Research Folder you wish to re-create within Cheetah.

- **Saved Searches** – Click ‘**Saved Searches**’ in top menu bar and then copy resulting pop-up screen or right-click & Print the browser screen (be sure the pop-up of ‘**Saved Searches**’ is fully visible within the Print Preview window). If your saved searches were for ‘**Selected Content**’ click link and note the specific targeted menu item(s).

- **Notes & Highlights** – click ‘**Document Notes**’ within IntelliConnect’s toolbar, change the items to display per page to 200 (at bottom). Check box for ‘**Select all on page**’, click ‘**Save Notes**’ and choose to **Save selected annotated docs as PDF (or Text)**. The links in resulting PDF or Text file will be redirected to Cheetah starting in August 2017.

- **Favorites** – Check the box next to ‘**My Favorites**’ at top IntelliConnect Browse menu, click ‘**Save Links to Content**’ icon, and ‘**Copy selected URLs to Windows Clipboard**’. Then paste the links into Word or Notepad or other application.
