

**NEW!**

Introducing RegReview™

A new feature designed specifically to integrate with any RBSOURCE or RBSOURCEFILINGS subscription to streamline your workflow even more.

Spend more time advising clients and less time researching and drafting SEC filings.

The federal securities laws are complex and constantly changing. Streamline the Rule-Checking Process with curated links to all SEC rules, regulations and guidance associated with major SEC forms and redlines of all recent changes to primary law.

- **Improve Accuracy:** Attorney editors have identified and linked all content in RBSOURCE/RBSOURCEFILINGS that should be reviewed when preparing major SEC Forms, removing the potential for errors and eliminating the need for using multiple resources.
- **Optimize Search Time:** Quickly identify which primary laws have changed since your last SEC filing
- **Boost Efficiency:** Instantly review redlines showing the exact differences in laws, regulations, and forms from one period to the next
- **Streamline your Workflow:** Track your progress with interactive checkboxes and collaborate with your colleagues using the checklist download feature

Optimize Your Securities Law Workflow with a Complete Solution

Provides an integrated checklist with links to all associated rules, regulations, forms and guidance necessary for a complete regulatory review

The screenshot shows the RegReview application interface. On the left, there is a checklist titled 'Since Jan 15, 2013' with items like 'Check Regulations - Introduction', 'Check Regulations - Part I', and 'Check Regulations - Part II'. On the right, a document preview is shown for 'UNITED STATES SECURITIES AND EXCHANGE COMMISSION FORM 10-Q' for Apple Inc. The interface includes navigation icons like 'Favorite', 'Worklist', 'Alert', 'Print', 'Download', and 'Email'.

This detailed view of the checklist shows items such as 'Exchange Act Rules : Rule 12b-2, Definitions' with a green checkmark and a 'has changed' label. Other items include 'Exchange Act Rules : Rule 14a-3, Information to Be Furnished Security Holders' and 'Exchange Act Rules : Rule 14a-3(b), Information to Be Furnished Security Holders'. Each item has a checkbox and a download icon.

Point-in-Time comparisons quickly guide you to the exact language that has changed to boost your efficiency

This screenshot illustrates the point-in-time comparison feature. It shows two versions of 'Rule 12b-2. Definitions.WK-1' side-by-side, dated 'Jan 15, 2013' and 'May 15, 2017'. The text of the rule is shown with green highlights indicating changes between the two versions. The interface includes a 'Comparing version as of May 15, 2017 with Jan 15, 2013' header and a help icon.
