

New from Kluwer Law International...

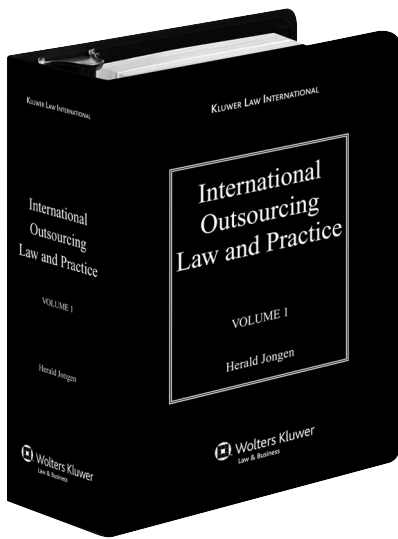

International Outsourcing Law and Practice

Edited by Herald Jongen of Allen & Overy -
Described by *Chambers Global* as
"Mr Outsourcing"

Understand When,
Where, Why, and How
You Should Outsource

Providing You with Expert Guidance that Covers Legal and Business Issues

International Outsourcing Law and Practice is a unique and comprehensive, single-volume resource that presents valuable guidance on outsourcing in the world's key markets.

The insight available in **International Outsourcing Law and Practice** extends well beyond legal analysis. This professional resource helps you understand why and where you should outsource and examines the real practicalities in the business environment. It provides:

- Analysis of different types of agreements to help you choose the best one.
 - an overview of reasons to outsource and strategic advice
 - the latest trends
 - an understanding of how the suppliers make their money that will help you in your negotiations with them
 - an overview of the employment issues
- Step-by-step guidance presented from a transactional perspective to make sure you ask the right questions and make the right decisions from start to finish.
- Expert, local insight into key markets, including India, China, Hungary, Poland, Czech Republic, to help you understand local perspectives and requirements.
- Insights into why projects fail – to help you make sure yours don't!
- Lessons learnt & pitfalls

This single-volume resource enables you to proceed with confidence, knowing you have access to the insights and expertise of local practitioners from a range of practice areas – all of whom have extensive experience with these deals and contracts.

About the Editor

Herald Jongen, the general editor, is a partner at **Allen & Overy** in Amsterdam.

Highly rated by the independent directory *Legal 500* for his expertise in outsourcing and described by *Chambers Global* as "Mr Outsourcing". Mr Jongen is an author of numerous articles and a frequent speaker at conferences around the world. **Allen & Overy** is regarded as one of the leading law firms for international outsourcing projects.

Contributors are practitioners from leading international firms and consultancies, including **Alston & Bird, Cleary Gottlieb, Clifford Chance** and **KPMG, TPI** and firms in key outsourcing jurisdictions such as China and India.

Benefit from this Powerful Practice Tool

International Outsourcing Law and Practice provides the most authoritative guidance available on the strategic and legal issues relating to outsourcing and offshoring in the world's major markets. Combining practical perspective with expert, legal analysis, this valuable resource can help you:

Save Time:

The single-volume reference brings together a wide range of crucial information, providing you with one source for legal analysis and practical guidance.

Manage Risk:

Expert insights from local practitioners help you avoid pitfalls and minimize liability in key markets around the world.

Stay Up-to-Date:

International Outsourcing Law and Practice is a new, completely current resource that keeps you up-to-date with the latest laws, shifting trends, and best practices in this changing area. Annual supplements ensure that you stay up-to-date.

Make Strategic Business Decisions:

By combining in-depth legal analysis regarding contract structure with tactical advice regarding the pros and cons of outsourcing in specific jurisdictions, this reference enables you to provide high-quality, dynamic and effective guidance that takes into account the complete outsourcing picture.

Draft the Most Effective Contracts:

Practical guidance provided by experienced practitioners helps you draft contracts that maximize benefits and minimize potential liability.

Ask and Answer Important Questions:

International Outsourcing Law and Practice provides local insights into the world's key, outsourcing jurisdictions. Filled with contributions from experts around the world, this resource prepares you to answer – and ask – the tough, detail-oriented questions that can mean the difference between success and failure in outsourcing deals.

And only *International Outsourcing Law and Practice* will help you make certain your outsourcing arrangements succeed by leading you through the outsourcing process from start to finish, covering issues such as: advantages and disadvantages of outsourcing, trends, contract structures, local employment issues, tax concerns, competition, post-contract management and even why outsourcing projects fail.
